- All guests will be contacted before arrival organise a check in procedure & also the same process for check out.
 - Keys will be left in the room prior to check in.
- We will be operating a cashless business so card payments only, which means we can either call you to take payment, you can also pay contactless up 45 pounds or the old-fashioned way of just putting you pin in.
 - All of our restaurant, bar and garden tables have been spaced 2 metres apart.
- Sanitize stations will be placed at the entrance, bar area, toilets and in our stunning garden.
- Table service will be provided to avoid waiting at the bar, giving you the chance to sit back and relax.
- We will be offering you a room service menu if you prefer to stay in the comfort of you own room.
- Continental breakfast will be provided as room service. Cooked breakfasts can be arranged to be served & eaten in the restaurant. Sadly there we will not be providing a Buffet.
