## **Menu**

We love sharing menus at The Merry Harriers, in our opinion there's nothing better than tucking into a feast with friends. Due to the size of our kitchen we are only able to offer one main course feasting option for the booking. Our kitchen can serve individually portioned seasonal main options to any pescatarian, vegetarian & vegan guests or those with allergies. Just let us know in advance.

## **Additional Options**

Please let us know if you would like to add any additional options such as a canape reception, decorations or entertainment. We are also happy to discuss wine and drink options for your party.
